

## Webinar: Coaching and Mentoring in Humanitarian Response

**Wednesday 29 November 2017 12pm-1pm UTC**

This webinar aims to create awareness, generate discussion and share experiences about coaching and mentoring in a humanitarian context.

We will focus on:

- The key differences and similarities between coaching and mentoring;
- How we can overcome situational challenges that humanitarian workers may face when putting coaching and mentoring into practice within a fast-paced environment;
- How coaching and mentoring has been effectively put into practice within a humanitarian context

The webinar will include presentations from qualified coaches and experts, followed by a Q&A session.
