

# UN Volunteers – your Learning Journey

## WHAT:

As a UN Volunteer you are responsible for shaping your own learning path. Throughout the assignment, you are encouraged to enhance and develop your professional, interpersonal and volunteering related skills. To best support you in this process, the UNV Capacity Development provides you with access to a range of learning programmes, including language courses, business skills, career management support and humanitarian-specific e-courses through our partners. Information about all learning programmes for UN Volunteers can be accessed through UNV's learning platform [UNV e-Campus](#).

## HOW:

Follow the links provided below. For access to not-linked services, kindly send a request via the contact form on UNV e-Campus. Kindly update your e-Campus profile with your roster no.

## WHO:

The target audience is our constituency of currently serving UN Volunteers.
