

# UN Volunteer Solutions for UN Partners

UNV provides flexible, cost effective, capacity to support delivery of the 2030 Agenda, UN strategies and UN entities' mandates . UN Volunteers can be recruited in five main categories.

UNV reaches out globally to attract talent to meet your need in real-time. Our talent pool, of over 250,000 individuals interested in volunteering in the field and 600,000 online, offers great diversity – including age, expertise, gender and location.

Anything you need? There's a UN Volunteer for it!
