**HOLISTIC CAREER
MANAGEMENT
WORKSHOP**

WHY

- The holistic career management workshop responds to your demand for learning to support your professional development.
- It focuses on the main elements of career development in supporting you to build skills and prepare for your next career move.

WHAT

The holistic career management workshop runs online 2 days in a row. It is delivered in English, French and Spanish.

- **Day 1:** You'll reflect on your career path, and how your assignment can give you skills and knowledge needed for your dream career. Feel free to network and meet fellow volunteers before the workshop and in the breakout sessions.
- **Day 2:** You'll bring your CV and we'll help you develop it by coaching you through hands-on activities and exercises. And also reflect on your building your brand for the future.
- **What more?** You will also have access to one-on-one coaching as part of the HCM workshop to discuss your personal needs with certified career strategists.

Make most of this unique learning opportunity for life after your UN Volunteer assignment!

HOW

- Holistic career management workshops are organized on-demand in collaboration with our UN Partner agencies, Regional Office and field offices on an on-going basis.
- Look out for our announcement to sign-up for the next event.
