

ANTI-DISCRIMINATION & ANTI-RACISM DIALOGUES WORKSHOPS 2022

We are inspiration in action

UNV CAPACITY DEVELOPMENT
2022

WHY?

In 2021 UNV launched “Learning Dialogues: exploring Anti-Racism and Discrimination”. We will explore the topic in relation to the **UN Core Value “Respect for Diversity”**. This forms part of the UNDP initiative to **increase the level of awareness and understanding of structural racism and acts of racism.**

The intention is to **ensure a UN that lives up to its principles of equity and non-discrimination, aiming for a “working environment that is safe, free from fear, intimidation, hostility, racism and any kind of discrimination, and where everyone has equal opportunities to grow and develop.”**

WHAT?

The dialogue sessions are an opportunity for UN Volunteers to **explore issues around racism and anti-racism on several levels, including:**

- Personal feelings in relation to racism and previous years' global anti-racism protests;
- Implications for you as Volunteer serving with the United Nations;
- Barriers and challenges that prevent you and the organisation from being inclusive in our work;
- Ideas and initiatives that UN Volunteers can embrace as an anti-racist and inclusive organisation.

HOW?

The dialogues will be run by members of UNV's pool of facilitators. They are experienced Diversity, Equity and Inclusion practitioners and many are also part of Umoja na Usawa, a Social Inclusion Facilitators network in East and Southern Africa. Any information shared in the dialogue sessions will remain strictly confidential.
