WAYS TO HARNESS UN COMPETENCY-BASED LEARNING PATHS & COLLECTIONS

MASTER SKILLS FOR YOUR ASSIGNMENT

Complete your learning plan to identify skill gaps first. Then select learning collections that align with your goals. Stand out for your expert skills crucial for your role, opening doors to exciting future opportunities.

APPLY SKILLS TO REAL-WORLD PROJECTS

While completing your chosen learning collections, apply acquired skills directly to your project for hands-on experience, like using data analysis skills to enhance project outreach.

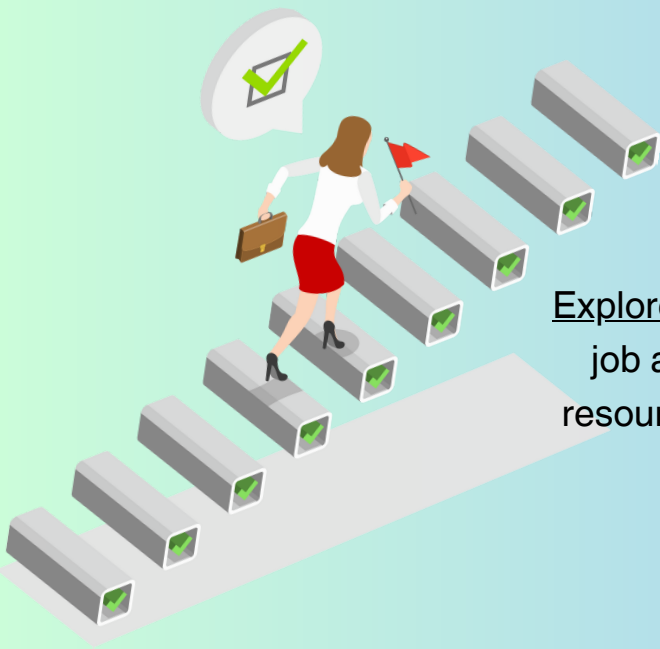

DIVERSIFY YOUR SKILL SET

Explore diverse learning collections to broaden your skills and readiness for various challenges and opportunities, such as enhancing leadership, communication, and risk management skills to become a versatile Project Management professional.

GET SKILLS FOR YOUR FUTURE CAREER

Explore future skills & key competencies in your desired job announcement. Select relevant LinkedIn Learning resources and customize your path to reach your future career aspirations.

UPSKILL CONTINUOUSLY

Demonstrate your commitment to ongoing improvement by periodically taking advanced courses to update your skills, ensuring you stay current with industry trends and best practices.

PUBLICLY SHOWCASE YOUR GROWTH

Complete full learning paths and courses to earn certifications, showcasing these on your LinkedIn profile & resume. Elevate your credibility and competitiveness in both the job market and your organization.

- As a serving UN Volunteer, you can apply for complimentary access to LinkedIn Learning - [here's how](#).
- Access your top in-demand competency-based learning collections on [eCampus here](#).
