UN Volunteers access a comprehensive journey, combining five varied learning experiences, to provide essential skills for their current and future roles. This approach emphasizes personalized and continuous learning, tailored to their evolving needs during their assignment. It's our commitment to nurturing the full potential of our UN Volunteers.

FIVE COMPREHENSIVE LEARNING EXPERIENCES

01. Onboarding

(Self-paced and live online)

An enabling programme to ensure that UN Volunteers are effective from the start, including step-by-step recruitment support, guided learning on UNV Conditions of Service, and a 90-day onboarding plan.

02. Skills Surge

(Self-paced and live online)

A set of initiatives to elevate competencies in leadership, productivity, languages, and UN competency-based collections, including free access to leading learning platforms and individual coaching.

03. Empower for Change

(Blended - self-paced, live online and in-person)

Empowering UN Volunteers to champion positive transformations, promote inclusivity, and embody UN values through learning on Prevention of Sexual Exploitation and Harassment, Diversity, Equity, & Inclusion (DE&I), and Anti-racism.

04. Connect & Learn

(Live online and in-person)

UN Volunteers share their experiences, fostering a culture of mutual learning. These programmes include in-person, field-based workshops enhancing UN Volunteers' capacity to provide effective on-the-ground solutions, addressing assignment-specific needs while promoting collaborative learning and networking.

05. Career Craft

(Blended - self-paced, live online and in-person)

A robust offering featuring group and individual career coaching, online workshops, and a blended learning programme to support UN Volunteers actively manage their career.

Collaborative Learning to Achieve Goals

UNV collaborates with an array of UN partners, offering personalized learning experiences for UN Volunteers to develop skills and exchange knowledge, thereby engaging effectively in transformative UN initiatives.

Access to Premier Learning Resources

UN Volunteers have free access to eCampus: a gateway to all accessible learning initiatives, including UN-wide mandatory courses and all live learning events. This ensures that they stay at the forefront of their development.

Enhancing Volunteer Performance and Satisfaction

UNV learning portfolio complements the UN partners' technical training, connecting volunteer learning with real-world business needs. This boosts motivation, performance, and overall assignment satisfaction.

In the last three years, about
32,000
UN VOLUNTEERS

have enrolled in UNV learning programmes cumulatively, gaining the relevant skills to drive meaningful change in the communities they serve (as of November 2023).

Visit the [UN Partner Toolkit](#) for practical tips and resources on how to enable learning for UN Volunteers.

We thank UN Online Volunteer Samer Khaleel for designing this flyer.
